Pershing	5,470	27
Storey	7,000	14
Washoe ³	7,857	21
White Pine	30,600	unknown
Nevada Total	946,745	1,266

Acreages are based upon approved Nevada BLM land use plans, except:

¹The acreage in Clark County involves lands whose disposals that have directed through the following Congressional actions: Southern Nevada Public Land Management Act of 1998 (SNPLMA = 27,000 acres), Clark County Conservation of Public Land and Natural Resources Act of 2002 (adds 22,000 to SNPLMA), Ivanpah Valley Airport Public Lands Transfer Act of 2000 (13,766), and Mesquite Land Act of 1986, as amended (12,200).

²Lincoln County Conservation, Recreation, and Development Act provides for disposal of up to 90,000 acres following land use planning completion.

³For Washoe County, Nevada, 857 acres (in 6 parcels) administered by the Cedarville Field Office under the California State Office is included in the county total.
